

# Children's Ministry Update

Elementary (Kindergarten –Grade 5)

## Module

Join us as we continue a 5-week module that focuses on the nature of God... and why we should love God. This module helps kids build a life-long faith foundation. Together they will explore the Bible lessons of Moses and the Burning Bush, God Speaks to Job, God Gives Isaac a Wife, Moses Sees God on the Mountain, and John Teaches about God's Love. Through these lessons children will learn that life is all about God, we are thankful that God made everything, we trust God's plan for us, we worship a perfect God, and that we love others because God loves us.
